

KickArts Members' Wall EOI 2017

KickArts Career Kicker Members are invited to submit an EOI to display works on the KickArts Members' Wall within the KickArts Shop. Each month (excluding January) KickArts will highlight the practice of a current KickArts member, through a display on the KickArts Members' Wall, a section in the monthly newsletter, and through social media marketing.

Works should be 2D, prepared for display with d-rings attached and must not occupy a space wider than 1400mm or higher than 1800mm. Multiple smaller works are encouraged. All works must be for sale – there is no minimum or maximum price limit.

We are currently calling for EOI's to feature KickArts Career Kickers in this FREE exhibiting opportunity for the months of June – December 2017. Applications will be chosen by a panel including Bruce Heiser – Director Heiser Gallery, and Jonathan McBurnie – Director Umbrella Studios.

Please register your interest by completing the form below and supplying up to 3 images of proposed works or samples of their work that is indicative of the works for display.

Applications must be received by April 24 2017.
